PRAYER WORKS!

NEW RESOURCES FOR THE INTERNATIONAL DAY OF PRAYER (IDOP) FOR THE PERSECUTED CHURCH (NOVEMBER 19 2006)

RI HAS PRODUCED A RANGE OF EXCITING NEW MATERIALS to help you and your church make the most of IDOP 2006 (November 19 2006) – a unique opportunity to join the world's largest prayer meeting for persecuted Christians.

Around the world literally millions of Christians will be interceding for the persecuted church: why not plan to join them?

Please note the date and ask your church leadership to dedicate this day to support those who suffer for their faith in Christ.

To help you, RI has produced a range of new materials to help you organise your own prayer focus or prayer concert for persecuted Christians, including two new video

reports from Nigeria and China. **While ideal for use as part of IDOP, the materials can be used by churches or prayer groups at any time of the year.**

RI believes that when Christians pray, God moves. Prayer works! Intercession is one of the best ways we can support our persecuted brothers and sisters.

Our new DVD package *Prayer Works!* is available for a suggested donation of just £10 (including postage and packing). The DVD includes:

Prayer Works! Powerpoint presentation with script, giving you an easy-to-use structured prayer time (20 mins) that can be used as

▲ **A young North Korean Christian prays for her country, which is gripped by the repressive regime of Kim Jong Il. Christians in particular are targeted by the brutal authorities. RI is asking Christians in the UK and Ireland to pray for North Korea, and for the plight of North Korean refugees in China, as part of this year's International Day of Prayer for the persecuted church.**

part of a church meeting; or to help you organise your own longer 60-minute prayer concert. The presentation focuses on the needs of North Korean refugees in China, and on persecuted Christians in Nigeria, and is designed to be used alongside the video reports below. Includes specific short prayer points.

Flight from North Korea video report (8 minutes): every year thousands of North Koreans risk their lives by escaping across the

border into China in search of food, work and freedom. This undercover report includes the dramatic testimonies of North Korean refugees who have escaped the repressive regime of Kim Jong Il. As Christian activists in China help the refugees find freedom along the so-called 'underground railroad', many also find Christ.

'We forgive' video report (15 minutes). This edition of *Witness*

magazine reports on the persecution endured by Christians in Nigeria. Find out more in this challenging report which shows

how Christians who are suffering for their faith in Christ are able to forgive their persecutors. This reflective video presentation asks us to consider how we ourselves might respond when an enraged mob comes to our home or church.

Prayer Works! response card (25 included with every DVD). Take action to support persecuted believers in Nigeria, and North Koreans in China, by sending postcards to the Nigerian and Chinese authorities. Please order as many as you need for your IDOP prayer focus or prayer concert. These cards can also be used to request *Witness* magazine and our prayer diary *Prayer Shield* free of charge, and to join RI's prayer email lists 7x7 and Prisoners of Faith.

This DVD package contains the Powerpoint presentation and script. These may also be downloaded from our web site www.releaseinternational.org/idop free of charge. However the video reports are only currently available on the DVD. Please order your copy now using the coupon below.
