WORLD UPDATE WEBCAST

Monthly DVD **Free** (but donation towards costs appreciated)

Release's award-winning 10-minute monthly video programme is presented by journalist Andrew Boyd, who gives a fast-moving roundup of news of the persecuted church around the world. The webcast can be downloaded from our web site (releaseinternational.org/webcast), and can also be requested in higher-resolution format on DVD – ideal for showing to your church or prayer group. Each webcast includes topical prayer points.

BURMA SPECIAL REPORT

DVD **Free** (but donation towards costs appreciated)

This revised 20-minute programme features first-hand testimonies from Burma's underground believers, who face one of the most repressive

regimes in the world. But we also hear encouraging news of great spiritual hunger

in this nation, and of how churches are growing despite the constant threat of surveillance and police action.

TORTURED FOR CHRIST

Richard Wurmbrand's classic story **£5** discounted price (usually £7)

This is a special edition of Richard Wurmbrand's powerful testimony of his imprisonment and torture by the Romanian secret police in the 1950s

and 1960. After his release Wurmbrand founded the organisation that became Release International – as well as a global network of Christian agencies which continues to serve

persecuted Christians today.

The new edition of this Christian classic features photographs of Richard Wurmbrand's life and ministry, as well as brief information about the work of RI.

Rob Parsons, Executive Director of Care for the Family, comments: *'When you have read this book, pass it to your children. No generation should miss this story.'*

Persecution Zone 

Free download from www.releaseinternational.org/resources

Download and print this simple header design and create a special space on your church notice board for news and prayer requests from persecuted Christians. Many churches find this a helpful way of remembering persecuted Christians on a regular basis. Please ask your church leaders if this is possible in your congregation.

NEW RESOURCES FOR
IDOP 2007

PRAY FOR CHINA

SPECIAL FOCUS FOR USE ON THE INTERNATIONAL DAY OF PRAYER FOR THE PERSECUTED CHURCH NOVEMBER 18 2007

Release is producing new resources to help you and your church pray for China, and China's underground church, as part of this year's IDOP (International Day of Prayer for the persecuted church) to be held on November 18 2007.

Please talk to your church leadership now, and ask them to use your church meetings on this day to pray for the persecuted church.

Release's new materials can be used as part of a church service, prayer meeting or small group (eg Bible study or home group) and include the following:

Pray for China DVD: Release's President Rob Frost visits China to discover the truth about the church in China. While the authorities claim they uphold religious freedom for all, underground churches and Christian leaders say they continue to face severe restrictions, and pastors and individual Christians are still being arrested and imprisoned on spurious charges.

Pray for China Powerpoint: to help you organise your own prayer event in your small group or church. Includes specific prayer points for China. Included on DVD.

'China needs our prayer. This emerging superpower, host of next year's Olympics, is home to the largest unregistered church in the world. These house churches have experienced incredible church growth over recent years – but still face many challenges ahead. Please join me in prayer and action for China's Christians.'

Rob Frost

The new **Pray for China** resources will be available at the end of July. Please use the resources order form opposite, or the response coupon which comes with this magazine, to order your materials now. Thank you.
