Pray for persecuted children!

Here are the maps of the countries we are praying for this month. Match each map to the name of the country. (The answers are on the next page.).

Nigeria

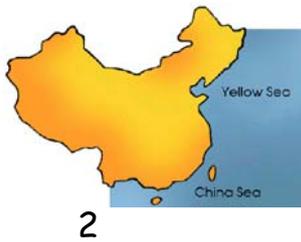

China

Eritrea

Egypt

Vietnam

India

Please pray for Pastor Yang Hua's children in China. Their Dad has been in prison for 1 year and 5 months because he loves and follows Jesus. His children have not seen him for all that time. He has been hurt badly in prison and now he is very ill.

Please pray for God's powerful healing for Yang. Ask God to help his children to be brave and strong as they miss their Dad so much. Pray that Jesus's love would fill their hearts and give them peace and happiness. Pray that their Dad would be set free very soon. Ask God to use their Dad to tell many others about Jesus in prison so that they know His great love too.

Please pray for children, including these two sisters, whose families have been sent to prison in Eritrea because they talk about Jesus' love. Many children are not allowed to see their Mums or Dads and they miss them greatly. Ask Jesus to be very close to the children and their loved ones in prison. Ask Jesus to let the children know that He is right there with them pouring out His love into their hearts and helping them be strong and brave. Pray that they will trust God to look after their families and set them free.

In Nigeria, Esta and her children had to run away from their home to stay alive. Their village was attacked by men who do not want anybody to love or believe in Jesus. Christians found a safe place to live for Esta and her children and gave them food.

Thank God that He protected Esta and her family and kept them safe. Ask God to stop them being attacked again. Pray that the family will not be scared but will trust God. Pray that God will give them a new home where the children can go to school and where they can love and follow Jesus in peace and safety.

Fill in the missing words in this Bible verse (Good News version):

"Then in their \_\_\_\_\_ they called to the \_\_\_\_\_, and He \_\_\_\_\_ them from their \_\_\_\_\_". (Psalm 107:6)

Pray that persecuted children around the world will know that their loving Father God is always with them, hears their prayers and will take care of them.

Dear Jesus,  
Please bless the children who were hurt or whose family and friends were killed or hurt by the bomb blasts in two Egyptian churches on Palm Sunday. Heal and protect them by Your power. Help them not to be scared and show them how much You love them. Amen.

Please pray for children in Vietnam whose Mums and Dads are beaten, hurt and put in prison because they love Jesus. Ask God to protect their families and keep them safe. Ask Jesus to be very close to the children and their Mums and Dads so that, even though they are far away from each other, they will know the love of Jesus holding them close together. Amen.

Pray for children in India who are hurt and treated very badly because they and their families love Jesus. Ask God to pour His love into their hearts, keep them safe and bless them in new and wonderful ways!
