Dear Jesus,

Please be a shield to protect all children and young people around the world who suffer harm because they love You. Let them know that You see everything that is happening and You love them very much. Put Your loving arms around them and keep them safe from attack and injury. Help them to be brave and trust You to surround and protect them in amazing and all-powerful ways. Pour Your hope and strength into their hearts and minds. Amen.

  We pray again for the children of Syria including the city of Aleppo which continues to be bombed and attacked day and night.

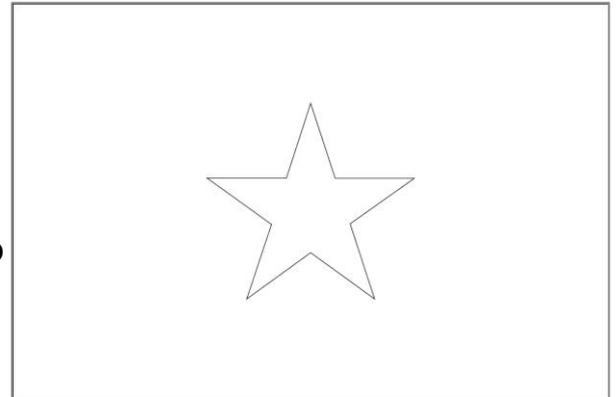

- Ask God to work a miracle to stop the war in Syria.
- Pray that the children will know God's love very close to them, holding them tight. Ask Jesus to take away their fear and make them brave, knowing they are not alone - He is with them all the time.
- Ask God to give the children hope that things will get better and trust that He will look after them.
- Pray that God will heal children who have been hurt in the attacks.
- Pray that extremists would not be able to take children away from their families. Pray that the children will know God with them in very special ways and

not be scared. Ask God to look after them and keep them safe and pray that those children who have been taken will be able to return home immediately.

- Ask God to work in His almighty power so that food, medicines and fresh water can get through to those who desperately need it.
- Pray that the children will be able to go to school and be safe as they learn. Ask God to protect them and their teachers.

This is the flag of Somalia. It is easy to colour in as the star is white and the background is light blue.

Pray for Christian children from Somalia who now live in Kenya:

- Pray that God will give them safe places to live.
- Ask God to protect their families who can be attacked because they love Jesus.
- Pray that the children will trust Father God to look after them and know His great love and peace in their hearts and minds.
- Ask God to help them to be brave and strong at school as a lot of Christian children from Somalia get bullied and treated badly because they love Jesus. Pray that God will keep them safe at school.
- Pray that God will be very close to children whose families have been killed. Ask Him to wrap His arms of love around them, comfort them and give them hope.
- Ask God to work in almighty ways to keep Christian families safe in Somalia where it is extremely dangerous to follow Christ.

Keep praying for Danjuma - a boy in Nigeria who was hurt very badly by people who do not want Christians to believe in or follow Jesus. He was so badly hurt that the villagers thought he was dead but God saved and healed him in wonderful ways. Thank and praise God for such fantastic healing! Ask God to continue to heal and protect Danjuma and his family and give them all they need. Ask God to use Danjuma to bring the love and joy of Jesus to many other children and adults.
